Audit and Tax Internships

We understand that choosing the right environment to begin your career in Public Accounting is an extremely important first step. FMF&E has created a team-oriented environment that promotes personal and professional growth by providing support to our team members so they can reach their fullest potential.

FMF&E is one of the leading public accounting firms in CNY. We take great pride in our Firm and its rich tradition spanning over 40 years and understand that our success is attributed to our team of exceptional professionals and strong "results oriented" approach to service. We are dedicated to our clients and community, and serve locally and nationwide providing audit, accounting, tax and management consulting services. Our clients include construction contractors, credit unions, energy (independent power producers), professional service groups (physicians and lawyers), manufacturers, and wholesalers and distributors. Our Firm is a proud member of the RSM US Alliance (since 1992) which allows us to tap into national experts, quality education and technical resources.

The FMF&E Internship Program is a great way for accounting students who are currently enrolled in an undergraduate program to gain real world experience with audit procedures, accounting standards, systems and tax return preparation. We offer both a winter Internship (January to April) and summer Internship (June to August) for qualified candidates. The number of internship openings each year varies depending on our Firm's current needs.

Requirements:

- ✓ Currently a junior or senior enrolled in an undergraduate accounting program and planning to earn 150 credit hours.
- ✓ Minimal 3.0 GPA
- ✓ Strong verbal and written communication skills.
- ✓ Excellent organizational skills and a desire to learn.
- ✓ Ability to meet deadlines, be proactive and have solid multi-tasking and strong analytical skills.
- ✓ Functional knowledge of MS office; Word and Excel

Apply through your College/University Career Services Department or careers@fmfecpa.com.
