We continue to experience growth in all areas of our practice and as a result are seeking to hire a **Senior Audit Accountant** to join the firm. Working for a public accounting firm can be demanding, but if you work with the right people - that makes all the difference in the world. If you are ready for a new challenge and interested in creating your own career path, this is the opportunity for you.

Responsibilities:

- Serving as senior/reviewer on audit engagements.
- Evaluating all technical steps in order to complete and review work papers with Manager or Partner.
- Preparing financial statements, notes, schedules, and management letters as needed.
- Reporting test conclusions that impact the audit plan.
- Informing the Engagement Manager/Partner regarding any audit and accounting difficulties that you may experience with an assignment/task that could affect our scheduled deadline.
- Reviewing and evaluating the internal controls and preparing the audit program and time budget.
- Conducting a review of the work papers prior to managerial review, to ensure that the accountants properly carried out the procedures assigned to them, that the programs and conclusions are properly completed and that the documentation of the audit or review work conforms to Firm standards.
- Supporting the Manager/Partner through maintaining a good working relationship with client personnel and other team members and demonstrating an awareness of the client's business.
- Providing appropriate on-the-job training to Staff Accountants.
- Conducting timely performance appraisals for the team assigned to work with you.

Requirements:

Bachelor's degree in Accounting along with a minimum of 3 years public accounting experience working in an audit capacity is required. MBA/MS is a plus. CPA license is a plus or candidate must be actively preparing to pass the CPA examination. Qualified candidates should possess excellent communication skills, self-confidence, and be self-motivated.
